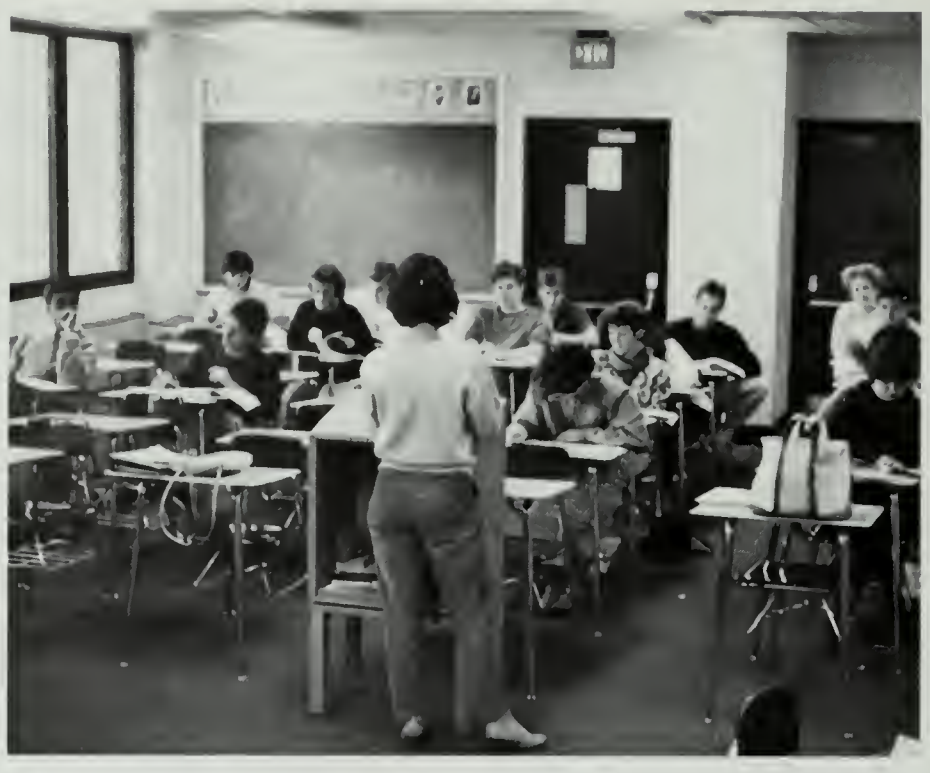
And 3 sin x equals . . .



Are you talkin' to *me?*

What would happen if I mix . . .

Can I help you?

"So"

How many times do I have to tell you . . .

"Hey"

You've got to be kidding me.

OOooo . . .

Bergman, Ever wonder how we aced your tests??

Whaat??

ZZZzzzz . . .

WLVI
56

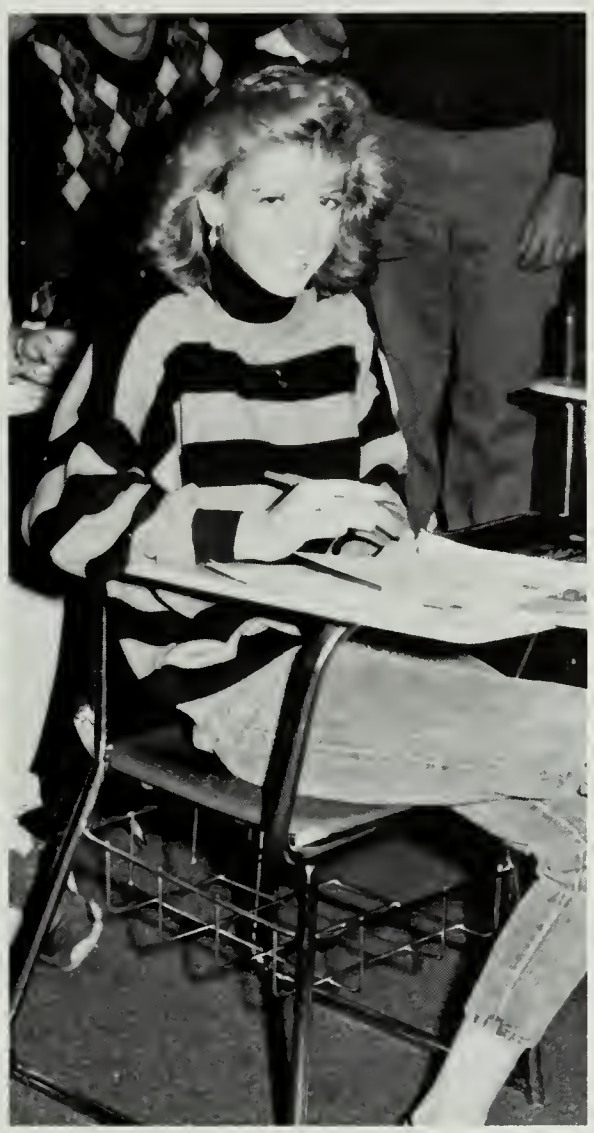
Copying?

Don't make me laugh!

"Smile" we're on candid camera!

Please go 'way.

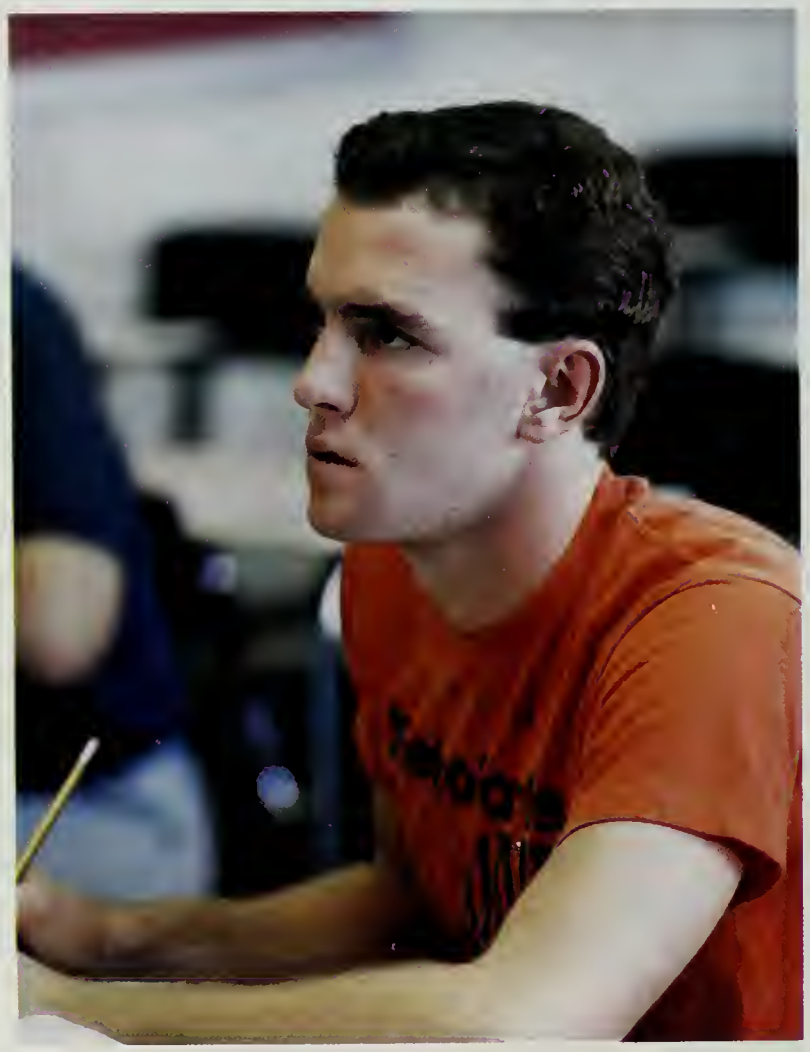
Go ahead, make my day!



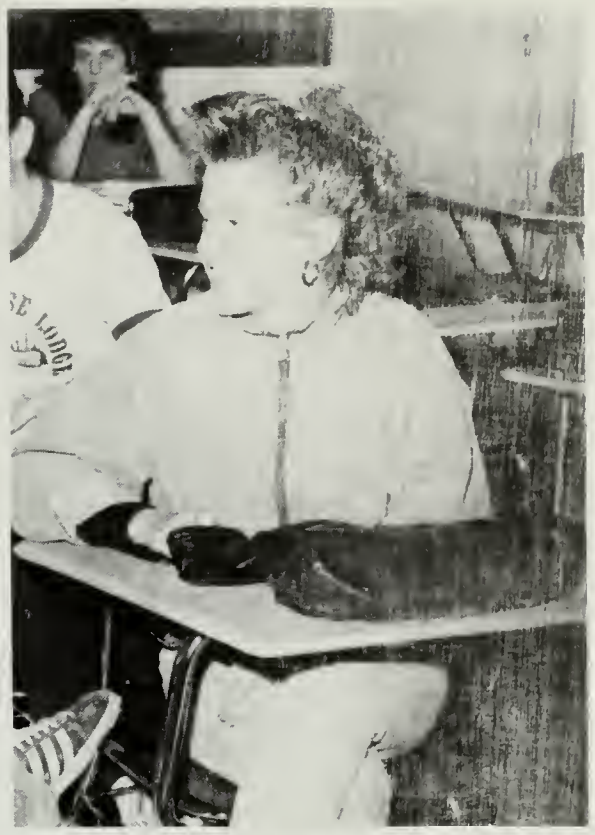
What are you doing on the floor?

I think I deserve a higher grade!

I don't believe I just did that!!



Don't think too hard Jim!!



DEDICATION

Sara Marie Gregory

Once I had a best friend
Her name was Sara-Marie
She was pretty and blond
I met her the first day of school
We became friends instantly
We did everything together
We talked for hours on the phone
We were like sisters
We were like all best friends —
We had our ups and downs
But she will always remain with me
No one can replace her
She was one in a million
One day we will be together again
But til' then she will be with me
in thoughts and prayers.

THEY SOFTLY WALK

They are not dead who live
In hearts they leave behind.
In those whom they have blessed
They life a life again.
And shall live through the years
Eternal life, and grow
Each day more beautiful
As time declares their good,
Forgets the rest, and proves
Their immortality.

Hugh Robert Orr

God Bless You Sara,
I Love You.

DEDICATION

Michael A. Deluca

"What is And What Should Never Be"
LED ZEPPELIN

Duke is gone, but we'll always remember
that he was cool like the month of November.
He is love by family and friends
who wish they could say this all pretend.
Dealing with that, makes one feel blue,
and at the same time tears his heart in two.
Bringing him back cannot be done
only comfort and support can help everyone.
If there's a Heaven I know he's there,
hoping with trust that we'll think
of the memories he left with us.
He'd want us to think of the good times
not the bad; to feel happy not sad.

"Do That For Duke, He'd Do It "4" You"
Chris E. Neenan
"Been"

To Duke: Thinking of you
Thinking of the good times we had
trying not to dwell on the bad.
I lay in bed with tears in my eyes
open my window and look up to the skies.
18 years old is far too young
Mike's life had only begun.
Mike's in Heaven and I'm sure he's alright
knowing that will help me sleep at night.

Bill Moriarty
"Fry"

To Duke,
The tears of pain and tears of sorrow
shall lead us to a better tomorrow.
With "Your Lucky 4" and "My Lucky 7,"
we shall all feel you climb
"The Stairway to Heaven"
"Seano"
Sean M. Gray

For Michael A. Deluca:
Duke will always remain in my mind and my heart. Memories of him will last and never pass. I will always remember the times we spent together. Duke you were a great friend.

Nancy Maher

For Michael A. Deluca
Good times, bad times we've all had our share.
When a friend like Mike is taken away.
It leaves us in despair . . .
Though, there is hope for a
better day, Until then.
Just remember Michael in your own special way . . .

Ken Johnson
"Class of 87"

To Mike who will always
"STAND BY ME"
in my heart.
To a good friend and so
much more.
With love, from your Babe.

Barbie Johnson

Before the '86 football season began, we all had hopes and dreams of attending the Superbowl. Founded upon team spirit, this inspirational feeling dwindled as we entered double-sessions. We emerged, nevertheless, fairly confident of our abilities. We knew the Suburban League to be a tough league, yet vowed to fight for every game, for every yard, and for every inch. With the help of talented coaches, we knew we could meet with success.

As we contemplated our difficult schedule, we found it necessary to abandon our dreams of the Superbowl because of many untoward injuries. Our ultimate goal, however, to demolish Quincy on Thanksgiving, was yet to be realized.

Turkey day approached. On the last lap of Cavanaugh Field before game day, many tears were shed and memories revived as we looked back upon our last four years of football. Although considered by some to be underdogs, we knew that our team spirit would be no match for Quincy. We were right. Treating our fans to be an exciting 24-7 victory, we felt as though our main goal had been accomplished. A Turkey Day victory had been achieved.

Many lasting friends and memories were made during our four years of NQ football. We thank the cheerleaders, Booster Club, fans and coaches for making football a truly rewarding experience at North Quincy.

Front row: Lance Panaro, Mike Walsh, Paul Meon, Rob Hubbard, Steven Wildes, Mofiz Hague, Mike Dubie, Eddie Walty, Paul Montero, Banny Yee.

At the beginning of the season after surviving double-sessions, the Boys' Soccer team had dreams of making the tournament. Although the team did not accomplish this difficult task, the team was hard-working and showed much spirit. Headed by first year coach Jim McGuire and assistant Mr. Dano, the team hoped that the coaches' vast knowledge of soccer would rub off on some of the more inexperienced players.

Each game, the diligent team members were spurred on by enthusiastic cheerleaders and team mascot Phillip McGuire. On the field, the team was led by talented seniors, while underclassmen willing to learn shored up the bench.

In several games, the spirited team seemed to dominate, only to lose by a close margin at the end. One question entered the minds of the players — would the team continue its undefeated streak against cross-town rival Quincy High? A last-ditch effort against Quincy in the final game of the season answered all doubts. Winning 2-1, the team was once again the "CITY CHAMP"!!! Throughout the season, the dedication displayed by hard-working members of the Boys' Soccer team made soccer a fun, popular sport at North Quincy.

GIRLS SOCCER

The girls' soccer team finished their best season ever with a 7-8-1 record. The co-captains were forward Elaine Hennebury and fullback Anne McGuiggan, who missed half the season with an ankle injury. Other seniors were Linda Doherty, who had an outstanding year in goal, forward Tricia Grant, fullback Kathy Hughes, and halfback Nancy Leonard, who missed the whole season with a knee injury. The team played strongly against two of the best teams in the state. They lost to Newton, 2-0, and Bridgewater, 1-0. They knocked Cambridge out of the state tournament with a 3-2 victory and defeated Quincy twice. Overall, the soccer team had a great season.

GIRLS SWIMMING

Take a group of girls in bathing suits, put them in a pool, tell them to swim 20 laps, and voila!! You have a swim team — right? Wrong. That is not merely half. Oh, of course, a swim team is composed of swimmers who compete against other swimmers from other schools. But that isn't *quite* all. The North Quincy Girls' swim team is only 10% girls — 90% of the team is SPIRIT!!!

Being a part of the swim team is not only a challenge, but also a tremendous experience. Each swimmer, champion or not, is cheered on in each race, and if that certain swimmer may not place, she is not rejected, but congratulated. It is this inspiration which makes our team special.

The 1986 season turned out a record of 5-7. Although not quite a winning season, the team showed tremendous effort, and even had the grand pleasure of conquering several teams who were all-too-long unconquered.

Indeed, the North Quincy Girls' swim team has had quite a pleasurable season!!!

BOYS TRACK

BOYS BASKETBALL

Back row: Coach Ed Miller, Ted Stevenson, Dennis Cronin, B. J. Silva, Dave Lawless, Joe DiGrandis.
Front row: Matt Hughes, Robert Sullivan, Jim Phelan, Scott Sacchetti, Larry Bollinger.

After having much success in both the spring and summer leagues at North Quincy, this year's varsity basketball team got off to a rather good start. Facing some tough non-league opponents in Revere, Everett, and Weymouth North, the Red Raiders were able to come up with just three wins in their first six games while playing very well in basketball. As usual, the league opponents provided very stiff competition. After dropping some hard-fought league games to powerhouses like Brockton and Cambridge as well as Newton North and Brookline, North got a chance to celebrate with a victory over cross-town rival, Quincy. Due to complications in personnel, the Raiders saw Dave Lawless, Joe DiGrandis, and Dennis Cronin sitting out two games. With a halfway point record of 4 wins — 8 losses, North looks forward to a successful second half of the season with a full and healthy team.

GIRLS BASKETBALL

Back row: Asst. Coach Ken Panaro, Kellene Duffy, Debbie Panaro, Melisa Miles, Nancy Flukes, Deidre Murphy, Rita Rooney, Paula Tolson, Patty Feeney, Stacey Welch, Karrie Pistorino, Coach Paul Bregoli.
Front row: Nancy Leonard, Tricia Koski, Anne McGuiggan, Mary Beth Maloney, Maureen Donovan, Lisa Mitton.

North's girls' basketball team continued the tradition of excellence of recent teams by blending hard work, togetherness and talent to finish with a record of 15-6, third highest winning percentage in the team's history. Once again, North, which was ranked sixth in Mass by the Boston Globe, qualified for the Division I South Sectional Tournament.

Early in the season, North got off to a 6-0 start, thanks to the senior leadership provided by co-captains, Anne McGuiggan and Marybeth Maloney and the excellent play of seniors Tricia Koski, Maureen Donovan, Nancy Leonard and Lisa Mitton. Significant wins during the streak included wins over Everett, Revere and capturing the North Quincy Christmas Tournament. McGuiggan and junior Nancy Flukes made the all-tournament team.

North defeated Brockton at home in a very thrilling game, one of only a handful of teams to defeat the Boxers all year. Two wins over arch-rival Quincy and qualifying for the tournament at Cambridge R&L with an overtime victory were also very satisfying.

North, seeded sixth in the tournament, drew Dennis-Yarmouth in the first round. Despite a significant height disadvantage, North battled to the end before dropping a heartbreaking 51-50 decision. However, that loss did not diminish the tremendous season this team had. They set and met all their goals and played up to their potential. It was a great year!

SENIOR CHOIR

The highlight for the choir of 1986-1987 was Mr. Maurice Carbonneau's farewell Christmas Concert. Truly a night to be remembered, this special evening brought back many choir alumni who wished to bid Mr. Carbonneau good-bye as he entered into retirement. Singing "The Halleluia Chorus" and "And the Glory of the Lord", all choir members and alumni were reminded of Mr. Carbonneau's unique ability to communicate directions while conducting. For he is indeed a man of great talent, and was able to make us sing above and beyond our limited talents. North benefited tremendously from his years of dedication and service, and will surely miss him in the future.

From January to May 1987, N.Q.H.S. had a delightful opportunity to learn about Spanish culture. Lucia Fraga, a young woman from Madrid, Spain, was hosted by North, and all who met her benefited tremendously. Sharing her culture through group presentations, Lucia also worked individually with students to help improve their pronunciation.

Lucia has a degree in Economics from the Universidad Computense de Madrid. Although she plans to be an economist, Lucia, through her classroom work, has displayed a natural gift for teaching.

While in Quincy, Lucia enjoyed the generous hospitality of Mrs. Margaret Quigg, whose two daughters, Nancy and Paula, attend North.

We hope that Lucia has enjoyed her stay here at North Quincy High as much as we have enjoyed having her. ¡Gracias por todo!

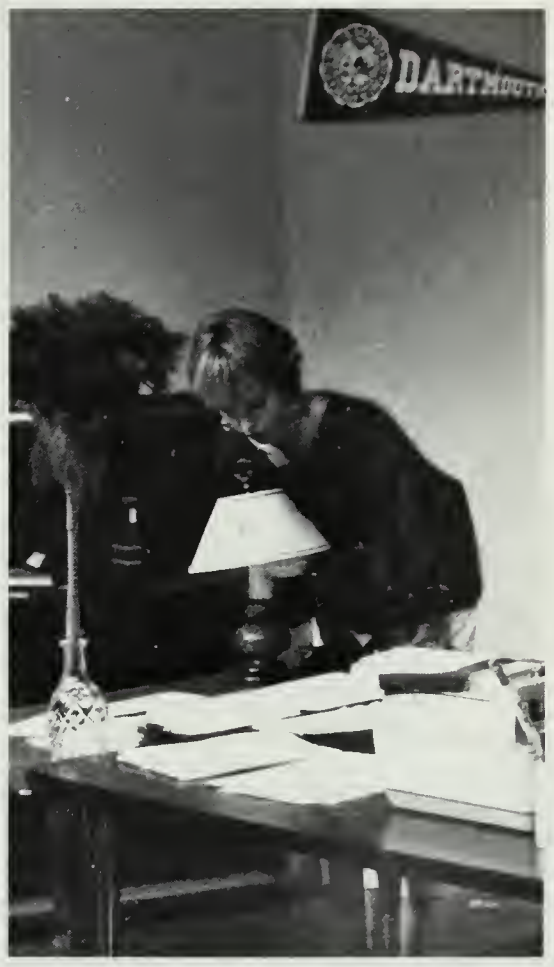
DRAMA CLUB

During our time at N.Q.H.S., the Drama Club has produced comedies and dramas such as "The Legacy", "Pla Suite", "The Butler Did It", "The Diary of Anne Frank", "The Star-Spangled Girl", "The Imaginary Invalid", a "You Can't Take It With You". Whether it be acting, working tech, assistant directing, or working on stage crew, club members found drama an enjoyable experience at North!

"The Butler Did It"

"The Imaginary Invalid

"The Star-Spangled Girl"



NATIONAL HONOR SOCIETY

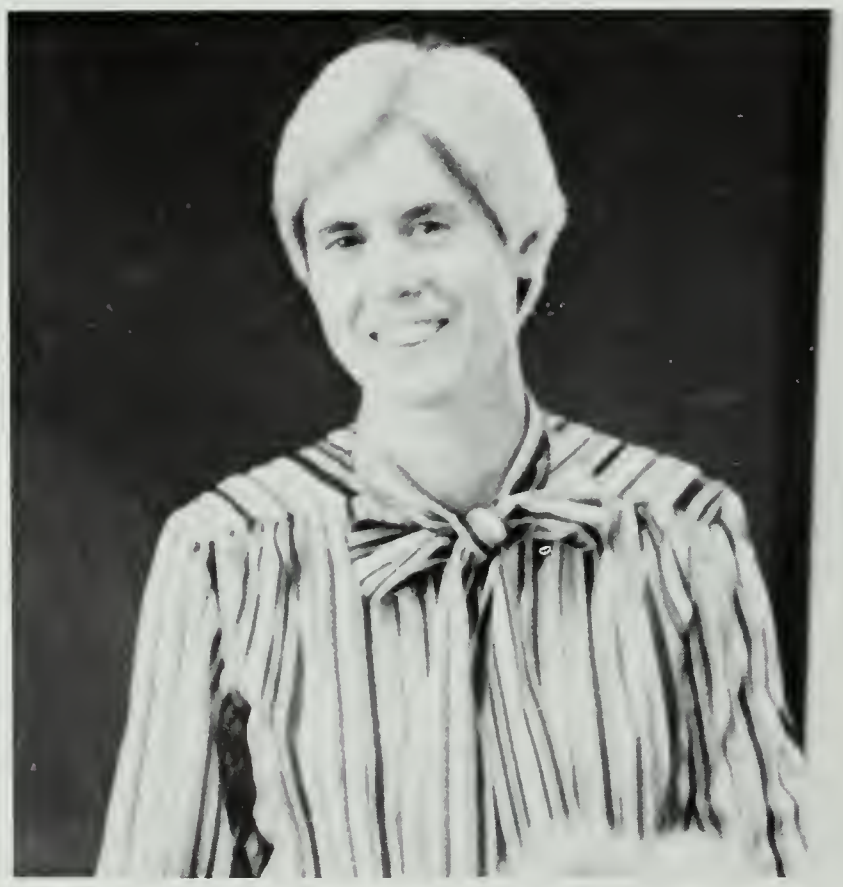
The National Honor Society at North is not a dormant organization — its members regularly serve the community through various projects. At Thanksgiving, a successful can drive provided food for needy people, while Christmas time saw National Honor Society members caroling and visiting with residents at the John Adams Nursing Home. Providing community service was indeed a valuable experience for all members of the '86-'87 National Honor Society.

NHS members visit at nursing home during Christmas.

Students enjoy refreshments after singing at nursing home.

Ski Club

Calculus Team



Coached by Miss Cheryl Manoli, the Calculus Team at North has traditionally placed very highly in national standings. The '86-'87 Calculus Team seems likely to succeed as well — scoring in its first meet, the team appeared to be off to a good start. Only ten teams in the country received perfect scores. The second meet, however, was more difficult, and the team could manage only a score of 38. Because of the difficulty level, it is hoped that the team's standing hasn't dropped significantly. For all members of the team, Calculus meets have been a fun way to use the Calculus we've learned throughout the year. The team expresses many thanks to our exceptional teacher and coach, Miss Manoli.

Marty, Tim, and John practice for the next meet while others celebrate a perfect score.

When will you learn, Jon, that the derivative of the cos equals negative sin?

No, we can't come, we have rehearsal — We are not getting paid for this! — Now really, is there a ski club? — I like this one . . . how about this one . . . maybe this one . . .? I think a vote would be very democratic! — What do you mean, the teachers voted??? — Is it too late to quit? — It's not our fault, the photographer lost the pictures. — EXCUSE ME! You're not in this club — No, we can't miss Calculus anymore — Did I crop this picture right? — Rip the Quads much Jib?? — Another Goof passed in a Bio with no picture! — Are there any Seniors in here? — Action shots! Good action shots! — Are the proofs in yet? Are the proofs in yet? Are the proofs in yet? — When's the deadline? oh . . . last week. — Is there going to be a yearbook???

FROM THE 1987 YEARBOOK COMMITTEE

COLLEGE CREDIT.

Credit for course work isn't the only hard part about college. Paying the bills is sometimes difficult and that's when you need our kind of credit.

We provide a full program of student loans.

We offer both HELP Loans for eligible scholars and PLUS Loans and VALUE Loans for parents. The rates and repayment schedules conform to nationwide practice.

This means, in order to stand apart, we have to do more. And we do.

For instance, you can expect faster turnaround time on approvals. You can also count on personalized service including sound answers to your questions and more. This is especially helpful if you're just starting a college career.

So start today and learn more. Discover why so many credit us with the best student lending program around.

Memories

Memories

Memories

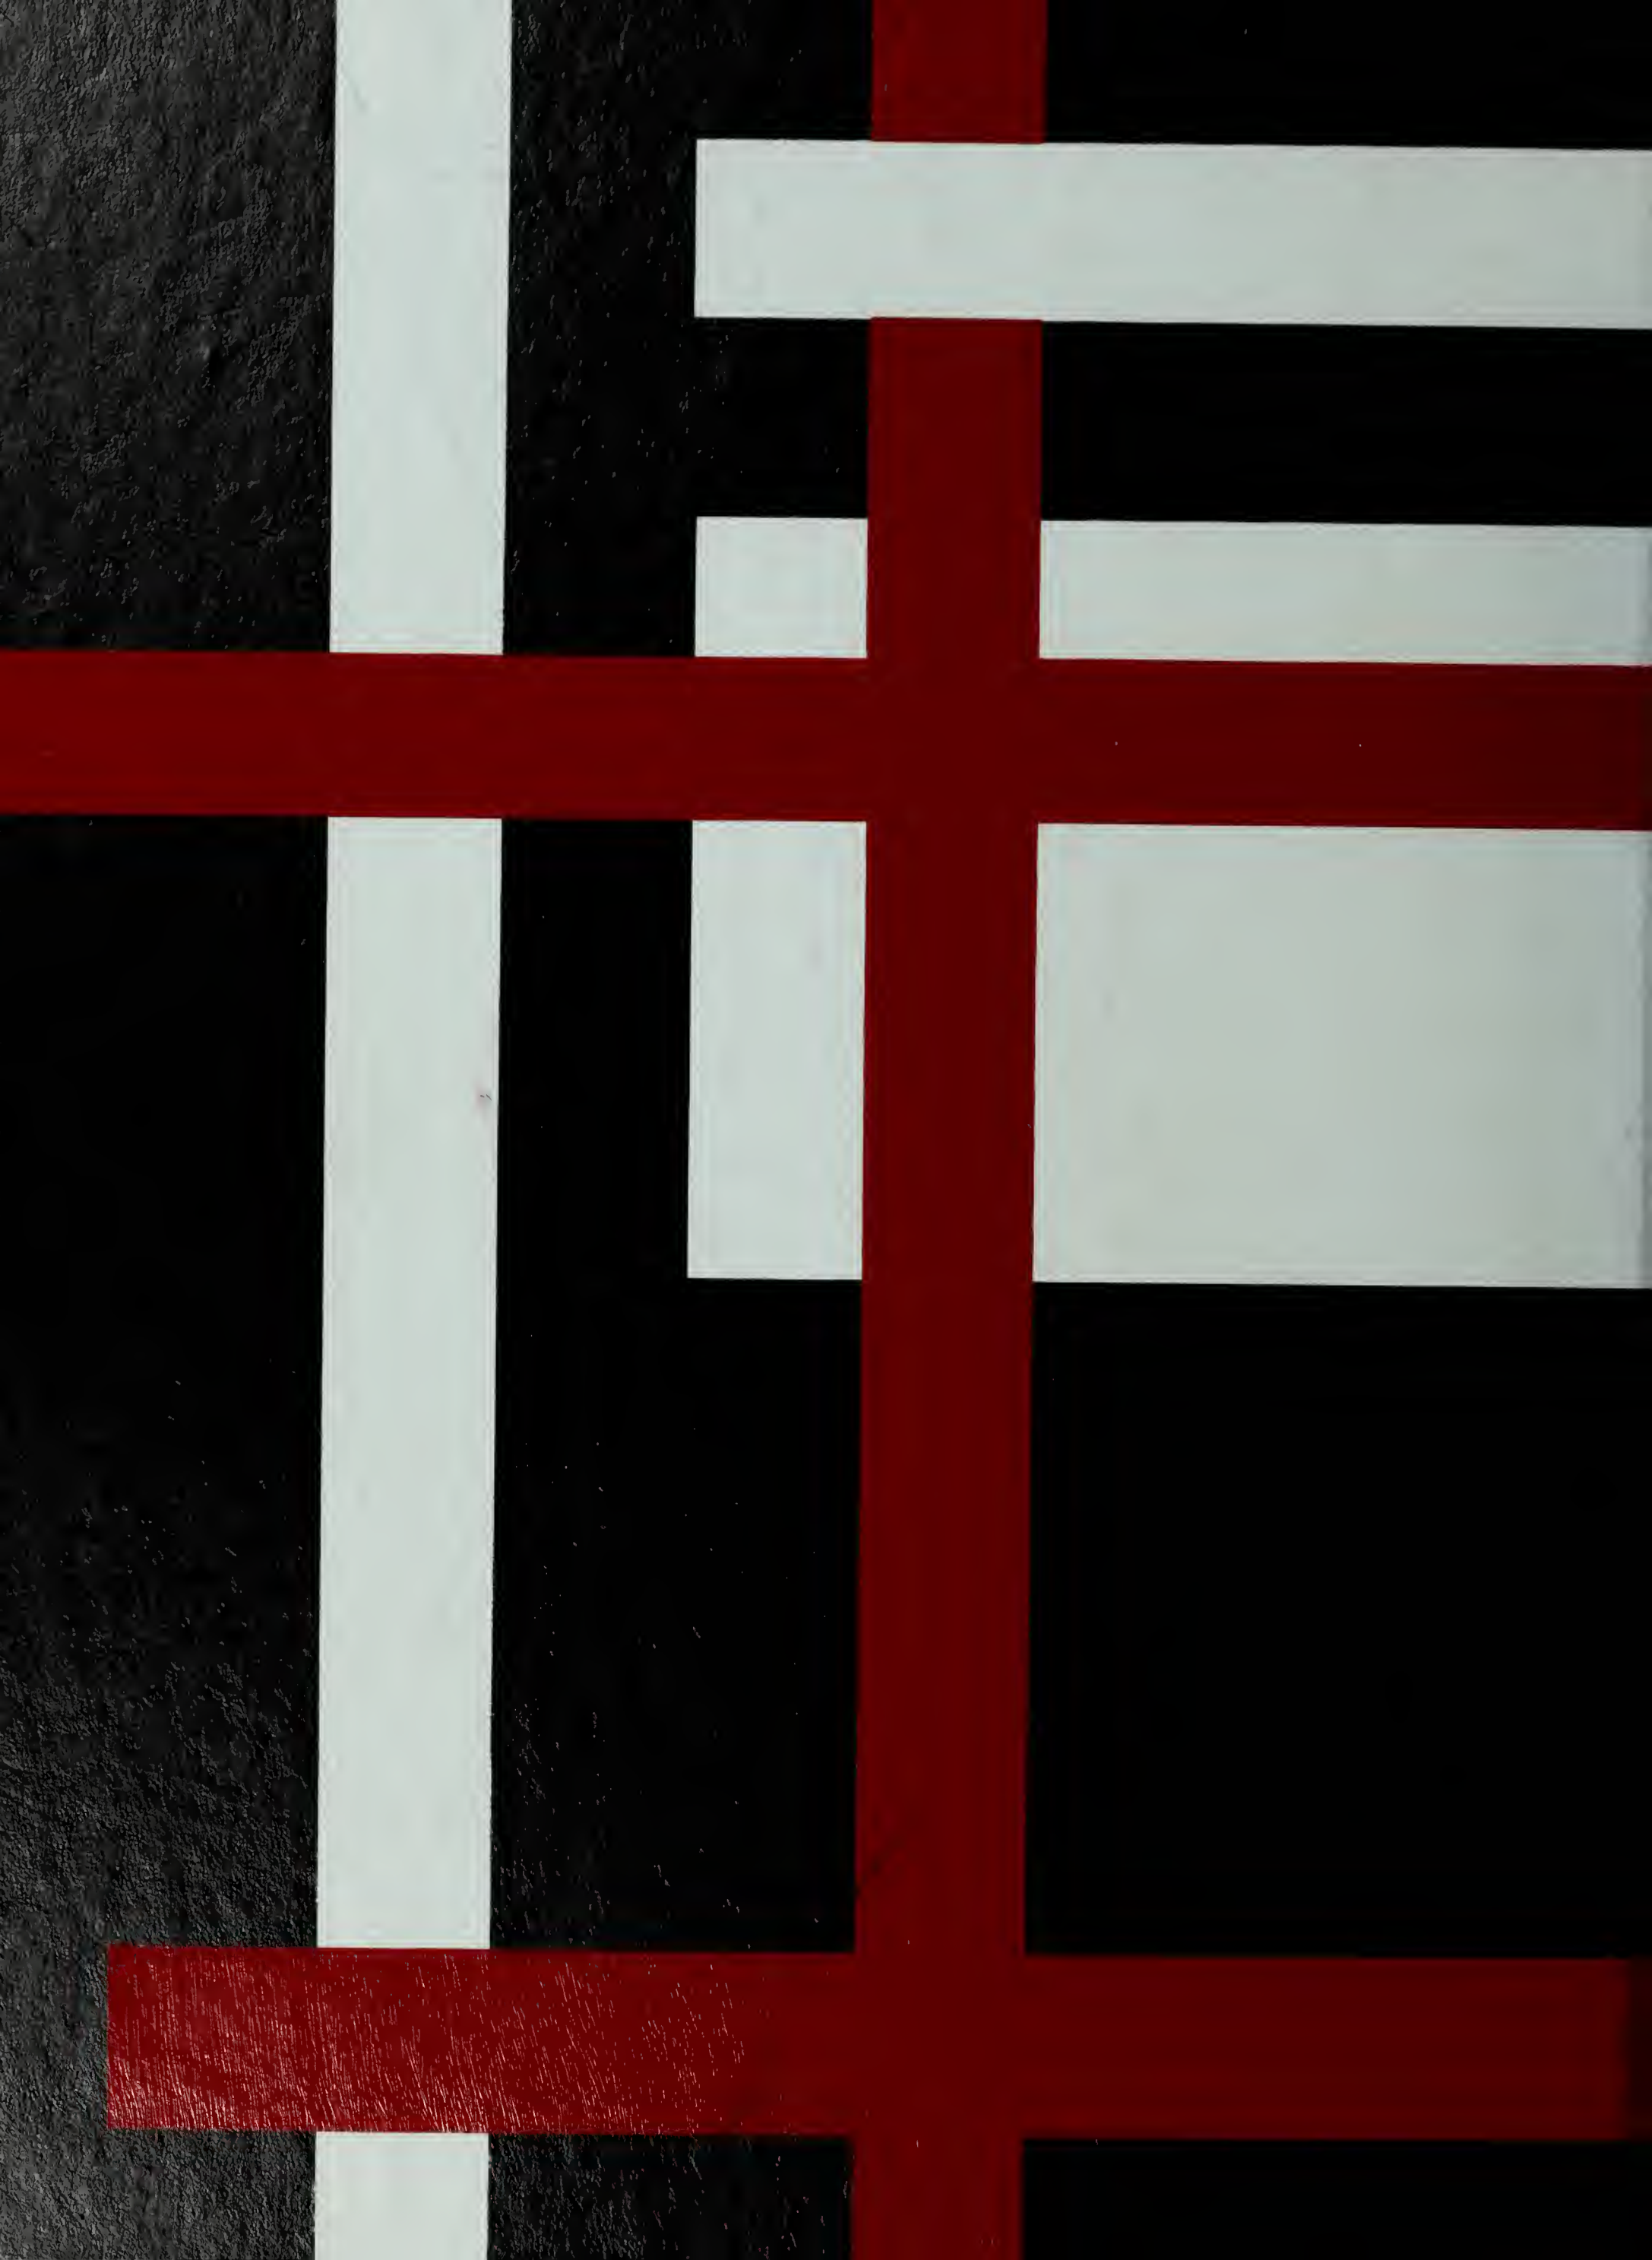
FOREVER IN MY HEART

So many years gone
And times that were so wrong
I can't forget the way it used to be
Of how you're always there to
comfort me

So many years past
Though memories will last
I think I've gone this far because of
you
Without you I don't know what I
should do

Let us keep in touch
Friendships mean so much
After this day we will all drift apart
But know this, you're forever in my
heart


— Eugene Yee
